Dear Ms. Lowengart:

I have just returned from a trip to Latin America, a journey made possible in good measure by the excellent and courteous assistance in obtaining visas which my office received from yours, especially from Ms. Carol Gonet.

You and your staff have my sincere thanks for your help. I hope we can give your office more notice before my next official trip abroad!

Sincerely,

Patricia M. Derian
Coordinator for Human
Rights and Humanitarian Affairs

Mrs. Carolyn Lowengart,
